Eco mode

BENEFITS

No preparation needed
3D Vision System™ maps your home in 3D to effectively detect obstacles and navigate around them for perfect cleaning coverage.

Cuts no corners
Triangular Trinity Shape™ and PowerBrush™ for unbeatable cleaning precision in corners and along walls.

Set and forget
Set your cleaning schedule and control your robot from anywhere with the Purei9 app.

Know what's up
Always know what your robot is up to with the coverage map and live statistics.

Multitasker
Automatically recognizes carpets and adapts cleaning mode for an impeccable clean on all surfaces.

PureFlow technology
PureFlow technology maximizes the airflow through the brushless motor, XXL wide brush roll and XXL filter to ensure maximum suction on all floor types.

The Swedish mountaineer

Effortlessly crosses thresholds up to 2,2 cm thanks to ClimbForceDrive™.

Smart Charging System

Smart charging system means PUREi9 knows when it needs to go back to base to charge and will resume cleaning back where it left off.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
