BENEFITS

Fresh Food. Taste the Difference.

Air filters not only help to keep your fridge fresh, they also absorb unwanted odours from strong foods like fish, that can transfer to other food in your fridge and change the taste and smell of your food. For optimal performance, it is recommended to replace your filter every 6 months.

Genuine Replacement Filter

The Unilux air filter is the genuine filter for selected Electrolux and Westinghouse fridges. Tailored to fit your fridge perfectly and constructed with high quality carbon technology for optimal performance and reliability.

Easy to Install and Replace

Replacing your air filter is simple and easy. Refer to the user guide supplied with your fridge for instructions specific to your fridge and follow the simple steps to keeping your fridge smelling fresh for up to 6 months.
