BENEFITS

Stylish Design
Crafted with ultra-modern flat doors, elegant handle options and your choice of Dark or Natural Real Stainless Steel or white your fridge will be the centrepiece of your kitchen. (Options vary by model)

Energy Efficiency
Our range has been designed to be energy efficient*, reducing your electricity usage. (Energy ratings and running costs vary by model) *Designed to meet MEPS AS/NZS4474.

Continuous chilled fresh water (plumbed)

Keep everyone refreshed at any time of day or week with a filtered water dispenser built into the door.

Ice when you need it most

With the convenience of an automatic ice maker, we've got your ice needs covered. By continuously replenishing itself, you will always have ice available for your family or last-minute guests.

FreshSeal Crispers

Our FreshSeal Crispers have advanced seals, and with humidity control you get better flexibility to look after your food the right way. Our seals assist in preventing moisture loss, while the humidity control lets you provide a better environment for fresher tasting food.

Easy-Glide Telescopic Runners

You don't know it yet but you'll love the easy glide telescopic runners in our freezers. They're easy to open and close and when fully extended provide superior access to your frozen foods. No matter how much food you have stored, they'll always run smoothly.
