---

Easy clean formed shelf supports	80L/32L capacity oven/grill	Ceramic cooktop	Dual Zone
----------------------------------	-----------------------------	-----------------	-----------

---

Power on indicator indicates if power is on to provide peace of mind

---

### BENEFITS

---

**Fan forced for even cooking**  
When it comes to cooking, one of the biggest is even heat distribution over your dishes. By using fan forced cooking you are able to create an even cooking result.

**Grill separately for smooth entertaining**  
The separate grilling compartment on selected models means you can entertain guests and cook big family meals with absolute ease and without compromising on precious oven space.

---

**Set for 2 hours and it will ring**  
The mechanical timer keeps track of your cooking time for 2 hours with a ringer to let you know you are ready to restart the timer or finish your dish.

**Rear control for safety**  
Our rear control is easy to reach and angled to keep your cookers control away from smaller hands.

---

**More versatility with variable zones**  
With Dual Zone functionality you are able to adjust your cooking surface to suit your pot or pan size with ease.

**Know when it is hot**  
The hot surface indicator allows you to clearly see when your cooking zones are on or still retaining residual heat, allowing you to keep your family safe

---

## Specifications

### PRODUCT PROFILE

Domestic warranty details (yrs)	2
Oven fuel	electric
Materials/Colour	white
Controls of Oven	control knob
Cooling fan	No
Plinth colour (kickboard)	white
Front/rear controls	rear
Warming drawer	No
Storage drawer	No

### MAIN OVEN

Gross capacity litres	80
Useable capacity litres	74
Oven function	fan forced
