BENEFITS

Pair with WFM1700WE for extra storage solutions
Combining the 242L refrigerator (WRM2400WF) with our 155L freezer (WFM1700WE) provides you with 397L of storage for your fresh and frozen goods.

Effortless temperature control
Sit back and relax as your fridge effortlessly adjusts to keep everything perfectly chilled, giving you peace of mind and convenience in your home.

Cool it Quickly
Load your fridge after a grocery shop, activate the Quick Chill function to lower the temperature faster than normal, cooling your food faster and helping it stay fresher for longer

Reverse the door
With a reversible door, position your fridge as either a left or right opening to suit your kitchen

Keeping fresh produce separate
Storing fresh food has never been easier. With a full width drawer, keep fresh produce separate from the rest of your food.

Free up your fridge shelves
From the largest bottles to the smallest jars, use the 4 full width door bins to free up your shelves in your fridge. The bottom balcony stores tall bottles inside the door.

Strong, adjustable & easy to clean
High quality tempered glass shelves provide strong, sturdy support for all types of food and containers. Move them up and down your fridge to suit multiple heights, and being glass they are easy to remove and clean
