BENEFITS

Australian Made Ovens
Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is made in a local factory in Adelaide.

AirFry for that perfect crunch
When a food craving hits, make healthier and delicious food right in your oven with minimal oil. Deliver all the flavour and none of the guilt. AirFry allows you to make healthier, tasty meals for the entire family right in your oven.

Dinner's done sooner with our fast heat up oven
Why wait longer? Our fast oven heat up means you can get on with the job of getting dinner on the table sooner.

Set and forget
Set the timer for your cook, and our oven will switch off when it's done.

Designed for ease and safety
Telescopic runners are another piece of thoughtful design that makes it easy to draw racks out and safely check on your dishes during cooking.

Cooler to touch oven doors
Beautifully designed with Australian families in mind, the multi-layer glazing of our oven doors are cooler to the touch when the oven is hot.

Place your shelves in with ease
Our easy guide side racks allow you to place your oven shelves in with ease.
