Powerful Cleaning Performance
A powerful 2000W max motor and Dust Magnet combination nozzle make lite work of dust and dirt in all floor types.

Ergoshock features a flexible storage strap that stretches out for neat and tidy hose storage. It also acts as an anti shock bumper to protect walls and furniture from collisions.

BENEFITS

Extra Long Cleaning Reach
The longer the cleaning reach, the more rooms you can clean from one power point, meaning less plugging in and unplugging of the cord.

Powerful Cleaning Performance
Powerful performance means more dust and dirt is picked up in one pass over the floor, saving you time and effort.

Compact and Lightweight
Sick and tired of lugging the vacuum up and down the stairs? Ergospace helps take the strain out of multi-story cleaning.

Easy to Store
