

UltraCaptive Animal Care is a powerful bagless, multi-cyclonic vacuum featuring an innovative "Compact & Go" hygienic dust disposal system. The Animal Care model comes with AeroPro animal turbo nozzle designed to easily remove pet hair from furniture and fabric surfaces.

Product Details

FEATURES

"Compact & Go" dust disposal system

The "compact and go" dust disposal system is an innovative and easy to use feature which allows you to hygienically compress dust and debris.

Multi-cyclonic bagless

Cyclonic bagless performance means no need to purchase dust bags.

Vertical & horizontal storage options

The UltraCaptic has two parking positions; it can be stored vertically or horizontally.

Upholstery animal nozzle

Designed for the removal of pet hair.

Remote control with 5 speed setting

Adjust the suction level from the handle.

AeroPro 3 in 1 accessory tool

Features a dusting brush, crevice nozzle and upholstery tool, all in one.

BENEFITS

Powerful performance

Multi-cyclonic technology and other high performance features provide outstanding suction power as well as excellent dust pick up and filtration rate - resulting in quality air at home.

Hygienic and easy dust disposal

The innovative "compact and go" dust disposal feature allows you to easily compress the dust & dirt vacuumed and hygienically empty the canister. There's no need to reach inside the container.

Easy to manoeuvre and store

The handle has been ergonomically designed and includes remote control to adjust the speed setting. Its soft rubber wheels protect hard floors while its wide base provide stable vacuum operation. UltraCaptic can be stored vertically or horizontally to suit different needs.

Easy Removal of Pet Hair

The AeroPro Turbo Head is designed to remove pet hair and other difficult fibres from carpet and fabric surfaces.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
