

**Bagged vacuum cleaner with silent air technology, making it part of the Electrolux's quietest vacuum cleaner range.**

## Product Details

### FEATURES

---

**Silent Air Technology**  
Aerodynamic design from nozzle to exhaust, floating motor, rubber seals and absorbent foam

**Clean air HEPA filtration!**  
UltraSilencer is completely sealed, and features an extremely efficient HEPA 13 filter.

**Excellent Dust Pick up and Filtration**  
Rated 5-star by independent test institute SLG in Germany

**Hard floor nozzle**  
The AeroPro hard floor nozzle features soft bristles, and is suitable on all hard floor surfaces.

---

**AeroPro 3 in 1 accessory tool**  
Features a dusting brush, crevice nozzle and upholstery tool, all in one.

---

### BENEFITS

---

**The quietest vacuum cleaner ever**  
Silent Air Technology™ gives UltraSilencer a record low noise level of 68 dB(A). From the nozzle to exhaust, the inside of the vacuum cleaner has been aerodynamically shaped, with a floating motor, rubber seals and absorbent foam to dampen noise, all the while delivering high airflow and powerful suction.

**Clean Air HEPA Filtration**  
UltraSilencer is completely sealed, making sure that dust and dirt stay where they're supposed to in the vacuum cleaner. Also featuring an extremely efficient HEPA 13 filter, the air exiting the UltraSilencer is cleaner than the air sucked into it.

---

**Excellent cleaning performance**  
An 1800W max motor delivers powerful airflow, combined with the innovative AeroPro™ nozzle system, you're certain to get an excellent result, every time.

**AeroPro™ Hard Floor Tool**  
Offering gentle, yet highly efficient dust and dirt pick up, the AeroPro™ Hard Floor Tool is ideal for polished wood, slate, stone and marble floor surfaces.

---

**AeroPro™ 3-in-1 Tool**  
Why fumble around with multiple tools when you can use one to do the job of 3? The AeroPro™ 3-in-1 lets you take the complication out of cleaning surfaces, skirting boards and window sills.

---

## Specifications

### MAIN

---

Brand	Electrolux
-------	------------

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
