

UltraSilencer Green is a bagged vacuum cleaner with environmentally friendly features and improved silent air technology which allows for low noise levels when vacuuming. The Green model is made out of 55% recycled plastic and is 40% more energy efficient than the other UltraSilencer vacuums. Part of Electrolux's quietest vacuum cleaner range.

Product Details

FEATURES

Silent Air Technology
Aerodynamic design from nozzle to exhaust, floating motor, rubber seals and absorbent foam

Excellent Dust Pick up and Filtration
Rated 5-star by independent test institute SLG in Germany

Made from 55% recycled plastic
UltraSilencer Green is made from 55% recycled plastic

Energy Efficient Motor
UltraSilencer Green uses 40% less energy than a regular UltraSilencer, without compromising on performance

AeroPro 3 in 1 accessory tool
Features a dusting brush, crevice nozzle and upholstery tool, all in one.

Hard floor nozzle
The AeroPro hard floor nozzle features soft bristles, and is suitable on all hard floor surfaces.

BENEFITS

Environmentally Friendly
UltraSilencer Green is made from 55% recycled plastic, uses 40% less power than a regular UltraSilencer and 90% of its materials are recyclable, so you can be sure you are using an environmentally responsible product.

Extremely Quiet and Powerful
5-star rating (by independent SLG institute) for dust pick up and filtration plus silent air technology, making it Electrolux's quietest vacuum cleaner range.

High Quality Clean Air When Vacuuming
Thanks to its multiple filtration system and the HEPA 12 exhaust filter, UltraSilencer ensures high quality clean air. Meaning less dust particles remain in the air.

User Friendly
UltraSilencer is compact and lightweight, has long cord (12m) reach and an adjustable speed setting. All of which allow you to clean with less restrictions.

Suits All Floors
The AeroPro silent air technology nozzle can be adjusted to vacuum both hard floor and carpet, also included is a hard floor nozzle to protect delicate surfaces.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
