(SWT1023A, SWT1043, SWT9043A  
and SWT9043 only)

# Experience amazing wash performance

Introducing our best washing results with cold water with the new ActiveBoost series. With ActiveBoost technology, detergent and water is premixed in a separate chamber before spraying onto the dirty laundry, meaning less detergent residue and an even cleaner result than ever before. The series also includes the Ultra Wash System which is a combination of innovative features to ensure you get the best clean from your

washer. Clothes are rotated in multiple directions to deeply clean and gently wash even your most soiled items. The Gentle Wash Agitator ensures super effective wash action, whilst the gentle drum features thousands of holes to improve water flow to ensure you always get the best results.

# Active Series Features

## ActiveBoost

Detergent and water is premixed in a separate chamber before spraying onto your clothes, meaning less detergent residue at the end and an even, cleaner result than ever before. (SWT1023A, SWT9043A and SWT1043 only)

## Soft closing child-safe lid

The soft closing lid features a child safe lid lock for added peace of mind.

## Time Adjust

Increase or reduce the total wash times to fit in to your life. When Time Adjust is used with the clever Delay End function, you can even decide when you want it to end.

## Auto water level sensor

Automatically selects the ideal water level for your wash. Whether you do a small or large load, you'll only use the water you really need.

## Ultra Wash system

A super effective, gentle wash action keeps clothes looking their best. (SWT9043A and SWT1023A only)

## Fast wash programs

Choose from the super Quick 20 minute wash or the Daily 45 minute program which is ideal for regular loads.

## Save Favourite

Save time and make life a little easier by saving your favourite wash program. This easy to use feature allows you to save your most used cycle and then use it at the touch of a button.

## Better results with a gentler drum

The gentle, effective drum ensures a deeper clean. (Except SWT8043)

## Premium glass lid

The toughened glass lid is not only stylish but durable. Its scratch resistant flat surface can be used as an additional work space in your laundry room and best of all it's easy to wipe clean.

## An inverter motor that really lasts

A durable and energy efficient inverter motor. (Except SWT8043)

# Now you can enjoy the EZI life

Designed to make washing easier, the EZI set controls are a breeze to use and simple to clean. With the programs laid out clearly on one familiar looking dial, simply set your preferred program and press the stylish soft-touch buttons to get washing. The gentle drum

is designed to treat your clothes with the care they deserve, featuring thousands of holes to enhance water flow as well as dissolving detergent faster. This ensures you always get the best results for your laundry.

## EZI Series Features

### Better results with a gentler drum

The gentle, effective drum ensures a deeper clean.

### Time remaining display

All models feature a time remaining display so you don't have to wait around for a wash to finish.

### Ezi set controls

The user-friendly control panel is easy to use and simple to clean.

### Soft Closing Lid

The soft closing lid feature gives added peace of mind.

### Stronger Lid

The toughened glass lid is not only stylish but durable. Its scratch resistant flat surface can be used as an additional work space in your laundry room and best of all it's easy to wipe clean.

### Induction motor

The brushless motor is durable and reliable

### Gentle wash action

With a gentle and effective wash action, all of your clothes are in safe hands.

### Quick wash programs

Choose from the super Quick 20 minute wash or the Daily 45 minute program which is ideal for regular loads.

### Warranty

Electrolux Home Products Pty Ltd and Electrolux (NZ) Limited (collectively Electrolux) warrants that the Simpson Top Load Washing Machines featured in this brochure are free from defects in materials and workmanship for 24 months with an additional 96 months warranty for the Appliance's inverter motor, following the date of original purchase of the Appliance and subject to the conditions set out in the warranty card accompanying the product when purchased. This warranty is in addition to the other rights and warranties you may have under the Australian Consumer Law (ACL) and Electrolux will at all times comply with its obligations at law including the ACL. For New Zealand customers Electrolux will at all times comply with its obligations pursuant to law including the Consumer Guarantees Act, the Sale of Goods Act and the Fair Trading Act. Where appliances are purchased in NZ for commercial purposes the Consumer Guarantees Act does not apply.
