

Swedish thinking. Better living

## Dishwasher Range

Lift your  
expectations

Electrolux

## A kitchen that knows what matters.

At Electrolux, our philosophy is simple: life in the kitchen should be seamless and intuitive.

That's why we've developed a new range with smart, sustainable features and clean lines for an effortless experience. So, you can concentrate on the things that make you happy: making and sharing great food with the people you love.

## Swedish intuition. Better comfort.

# Dishwashing

## No tea towels needed

Our intuitive AirDry technology automatically opens the door 10cm towards the end of the cycle which ensures natural drying without wasting energy. So the dishes are ready when you are.

## Room for creativity

Don't be afraid to give your culinary ambitions free rein. Our dishwashers are designed to take large, odd shaped items like pots and pans and the intuitive FlexiSpray arm ensures water reaches all parts of the tub, so they come out sparkling.

## The right wash. Every time

No matter how dirty your dishes, your dishwasher has the appropriate cycle to make them sparkle again. A Quick 30 is ideal for a load of just-used plates and pans.

## Gentle on glassware, rigid on pots

FlexiWash cleans fragile glassware in your upper basket with more heavily soiled items in the lower basket.

## Low noise, no fuss

Your dishwasher might be busy with a load, but it won't make a big noise about it. So you can turn it on any time of the day or night - whenever works for you.

## Clean machines

Our range of quiet, fuss-free dishwashers offer superb results - sparkling dishes, ergonomic stacking and swift cycles, keeping your favourite dishware beautifully clean.

## TripleWash

The right wash. Every time. No matter how dirty your dishes, your Electrolux dishwasher has the appropriate cycle to make them sparkle again. A Quick 30 is ideal for a load of just-used plates and pans or use the intensive Triple Wash for a deep clean.

## DirectWash

DirectWash offers the most precise targeted cleaning, giving bottles and glasses on the top rack a thorough wash, or tackling the pots and pans below for extra attention.

## SteamWash technology

Steam wash softens the most stubborn stains with the power of steam. Directly applied high temperature steam ensure perfect hygiene and gentle cleaning for your sensitive dishes.

# ComfortLift®

## Need a lift?

As gentle on you as on your dishes, the world's first ComfortLift® raises your dishwasher's lower basket to a comfortable height making it effortless to load and unload. It then descends in a gentle motion to ensure your dishes are always cared for.

\*ESF8735RKX & ESF8735ROX models only

**Lift the basket**  
The basket rises smoothly to make loading and unloading effortless

**Release the basket**  
Lift and hold the trigger to gently release the basket

**Lower the Basket**  
Push the basket down smoothly

**Built-under dishwasher with ComfortLift®**

## Great wash and whisper quiet

Upgrade to our existing machine and delighted so far. Extremely well built, quiet and the ComfortIft basket is great. I couldn't be happier.

– JohnnyB, Adelaide

### TOP SERVICE

Electrolux Top Service encompasses the after sales service including Delivery, Home Service and Spare Parts.

#### delivery

The purchase of a new appliance is an exciting experience. Electrolux customers can, for an additional charge, choose to have their new appliance delivered by our experienced staff. This service, at the customer's option, includes the removal and recycling of packaging materials and even the old appliance if necessary. Delivery is available in Adelaide, Brisbane, Melbourne, Perth and Sydney. It may not be available in some rural locations and is not available in New Zealand.

#### home service

Home Service is provided for repairs to appliances by trained technicians. Home Service is available throughout Australia and New Zealand.

#### spare parts

Home Service and Spare Parts can be contacted by phone using our toll free national numbers.

#### Australia

#### warranty

Electrolux Home Products Pty Ltd and Electrolux (NZ) Limited (collectively Electrolux) warrants that for domestic applications the Appliances featured in this brochure are free from defects in materials and workmanship for 2 years, and warrants that for featured accessories a period of 12 months, following the date of original purchase and subject to the conditions set out in the warranty card accompanying the product when purchased. This warranty is in addition to the other rights and warranties you may have under the Australian Consumer Law (ACL) and Electrolux will at all times comply with its obligations at law including the ACL. For New Zealand customers Electrolux will at all times comply with its obligations pursuant to law including the Consumer Guarantees Act, the Sale of Goods Act and the Fair Trading Act. Where appliances are purchased in NZ for commercial purposes the Consumer Guarantees Act does not apply.

#### product information

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Electrolux will at all times comply with its obligations pursuant to law. Colours of products illustrated are as close as printing limitations allow.
